

“A Capital Market Partner Adding to Customer Value”

Korea Exchange Hosted Global ETF Conference Seoul In Collaboration With AOSEF

Korea Exchange, in collaboration with Asian and Oceanian Stock Exchange Federation (AOSEF), hosted the Global ETF Conference Seoul on November 26~27, 2010.

The Conference was organized to provide a forum to discuss the ways of advancing the Asian ETF market as well as globalization of Korean ETFs. In addition, the Conference was an opportunity to advertise the ETF market of Asian countries, particularly to the institutional investors of participating countries.

The conference was attended by the ETF specialists and market operators, including the representatives of relevant regulatory organizations, from many parts of the world.

As shown below, four sessions covering different topics were organized and 14 companies participated in the Conference Expo.

Date	Session & time	Topic
